MONTREAL, P.Q., CANADA

April 6, 1962.

Dr. D.G. Felton,
Regent's Park Road,
Southampton.

Dear Geoff:

This will acknowledge, with thanks, receipt of your letter of March 29th and three copies of the following report:

RD.180-F "Release of Nicotine From Tobacco At Temperatures above 100°C: The Effect of Steam and Dry Distillation.

With kind regards,

Sincerely,

L. C. Laporte
