British-American Tobacco Co.Ltd.,  
Research & Development Establishment,  
Regent's Park Road,  
Southampton.

Dear Sirs,

We shall be grateful if  
you will let us have a copy of  
Research Laboratory Report No. 7  
of the Imperial Tobacco Co. of Canada  
Ltd. which describes the quantitative  
determination of 3,4-benzopyrene in  
cigarette smoke.

Yours faithfully,

Research & Development
