Tobacco Chemists' Research Conference, 1989

Kevin McAdam is attending this year's TCRC in October and would like to present a paper entitled :

"Studies of the Elution of Nicotine from Tobacco at Room Temperature"

I enclose an abstract of the paper. The work described in the abstract is part of that presented in Report No. RD 2123.

Could you please let me know whether you have any objections to presenting this paper, or any other comments, by 1st June.

Richard
R.R. BAKER

ML Reynolds also not keen to present.
