Dear Tom,

Du Maurier KS and du Maurier Light KS

Many thanks for your recent letters giving details of the cigarette
and blend specifications for these two brands.

These will be kept in secure file and used for reference when required.
I would be grateful for your advice, from time to time, as and when
significant changes to the products are made.

Thanking you again for your help.

With kind regards,

Yours sincerely,

A.R.
