BRITISH-AMERICAN TOBACCO COMPANY LIMITED

28 AUG 1993

TO: Department Heads
CC: Functional Directors
FROM: Gerry Arthurs
DATE: 26 August 1993
SUBJECT: Technical & Advisory Fees

A consequence of the recent BATCo/BATUKE merger is the necessity to split out costs for the Technical & Advisory calculation exercise. I would be grateful if you could advise me, by return, of those costs within your budget that are specifically related to the UK Export Business e.g. Project costs, Consultants etc.

It has also been decided that to avoid inconsistency, work done by secretaries within departments should be allocated to "Own Cost Centre Administration".

Should you require further information or seek clarification please do not hesitate to contact me.
