Dear Desmond,

Thank you for your letter of June 7th. explaining how Stobart learned about the University of Waterloo work term report. I was very pleased to learn that there were no serious implications. Although there may be a ready explanation, I am still curious as to how Stobart acquired the correct mailing address of Imperial Tobacco Limited. I am certainly not suggesting, however, that you should launch any further enquiries.

Your letter to Rita Ayoung has also been received and will be attended to shortly. We are always pleased to be able to provide copies of articles on our accession list.

With kind regards.

Yours sincerely,

R.S. WADE.
