TOBACCO STRATEGY GROUP : 19th MAY 1993

Attached is a revised note about Scientific Research Group Advisers, which has been amended to take account of B&W legal concerns.

Please destroy your original note (agenda item 1).

When presenting this item, you should take care to present it as a report item to TSG, emphasising that it is not seeking TSG action.

I have attached 11 copies of the note in case you wish to table the note at the meeting.
