Dear Diane,

As I have explained we are very interested in having your Canadian Exports and Duty Free data held within our system on a monthly basis, unfortunately the report that you produce is too detailed for us and would take too long to be entered manually.

I have attached a couple of spreadsheets detailing the type of data breakdown we are looking for on a monthly basis. Please will you look at the Tables and then let me know how difficult it would be to provide us with this data.

With Many Thanks

Terri Harwood
Statistics Assistant.

Diane,
I have relaxed this because I think I faxed you identical spreadsheets. Please ignore them, and use these new ones.

*Many Thanks
Terri.*
