

Terri.

The reports you received do contain July'91 data. However due to the nature of how it was reported it is understandable how it was overlooked.

Check for the pages corresponding to APPENDIX I, at the end are the sales APPENDIX II starts with the market share % for the month of July'91

Attached you will also find the sales for July'92 which were omitted in error. for which I apologize.

If you have any questions, please let me know. Once again I am sorry for the delay in getting back to you.

Any word on what T.R. Bates requires from me??
