REQUERON

I note from the marketing information system here that you reported sales for twenty years up to 1968, a market defined as 'Requeron' and classified as 'unallocated imports'.

Could you let me know what 'Requeron' stands for and whether you are still shipping to it.

With kind regards

Yours sincerely

T R Bates

"Requeron" stands for the island of St Pierre & Miquelon off the east coast of Canada. It belongs to France
