Dear Mrs. Schoenfeld,

Measurement of Tobacco smoke components
in human subjects 1974 (Report No 1:CF 33349)

Thank you very much for the loan of the enclosed which you sent on 24th July and my apologies for over-running the loan period. Now that the holiday "season" is ending, we are trying to clear such overdues. In accordance with your note, we have taken no extracts.

Yours sincerely,
