Dr. D.T. Westcott,
Imperial Tobacco Ltd.,
Lombard Street,
BRISTOL,
BS99 7JR

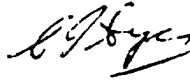

Dear David,

A note to confirm our telephone conversation.

In the discussions on how best to collect and measure the levels of smoke constituents in ambient atmospheres, I am asking Mr. P.D. Case and Mr. H.F.D. Dymond to represent BAT.

Kind regards,

Yours sincerely,

C. I. AYRES
