Dr. A.S. Weaving,
Basic Research & Specialist Services
Division,
Imperial Tobacco Limited,
Raleigh Road,
BRISTOL, BS3 1QX.

Dear Alf,

Thank you for your letter confirming the meeting on N-nitrosamines in cigarette smoke on Thursday, 11th June. B.A.T will be represented by Mr. P.D. Case and myself. We will be travelling by car from Southampton in the morning and will not require accommodation.

I think the proposed Agenda is fine and look forward to meeting you on that day.

Yours sincerely,

H.F. DYMOND
