Dear Pat,

Visit of Dr. P. Froggatt,
Independent Scientific Committee
to GR&DC Southampton - 16 March 1984

Dr. Froggatt, Chairman of the Independent Scientific Committee which advises the UK Government on Smoking Issues has discussions with the industry at two levels. In addition to meetings with TAC there are occasional meetings with individual companies on a confidential basis and we thought you might like to see the notes prepared after a recent visit. Mr. R. Waller, the Scientific Secretary of the ISC (from the Department of Health and Social Security) accompanied Dr. Froggatt on this visit.

Yours sincerely,

R. E. THORNTON
