Dear Bob,

I enclose two copies of my note (one for Pat) on my recent Canadian visit, in which I have attempted to give my rating of the various CTMC projects. I am sorry for the delay but, as you know, I was out of the office again for most of last week. Life is hectic at the end!

The visit to Vancouver was helpful. As you can see Jim Hogg is faced with a terrible problem of disposing of a young, well trained staff if the grant is withdrawn. He gave me a copy of his recent Annual Report, which I intended to attach as an appendix, showing his staff and sources of funds. Unfortunately, I have mislaid it. Perhaps you could get another copy from him.

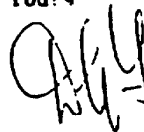

I really cannot thank you, Pat and everyone at ILL too much for the wonderful time you gave me - particularly the very memorable dinner at the Ritz-Carlton, and the thoughtful presents. You were all most kind. I was particularly happy to see Leo and Marion, Bob and Ruth looking so well.

It only remains now for me to thank you and Jane for your friendship over the years and the many kindnesses you have shown me. I hope your health continues to improve and that you can avoid another operation.

We'll keep in touch,

Love to you and Jane,

Yours
