Dear Pat,

Biological Meeting 19-20 May, 1983

As I think you already know we are holding a Biological Meeting immediately prior to the week in which the GR&DC programme is being discussed. I now enclose the programme for this meeting.

You will shortly be receiving the programme for the review meeting and may have already notified us of the names of your delegates, but in any event I would be grateful if you will let me know who will be attending the Biological Meeting and of any arrangements you would like us to make on behalf of your delegates.

I look forward to hearing from you.

With kind regards.

Yours sincerely,

R. E. THORNTON
