Dear Ray:

As per our telephone conversation of yesterday's date regarding Verner Knott's proposal to CTMC, the monies were allocated to him, but the proposal itself was not considered for approval.

This was done so as not to bias the independent scientific review committee's decision for future years.

With kind regards.

Yours sincerely,

Patrick J. Dunn

Best wishes to you Ray and to your wife for a happy Christmas and all the best in the New Year.
