Dear Mr. Thorpe,

Please find enclosed a copy each of Product Development Review No. 27 and 28 (Kent and Cantier). Again, these Reviews will be of particular interest to your Marketing and Product Development Departments and through the P.O.S.E., both Winter, Patrick O'Keefe and Tony Cousins have already received copies.

The final SLARE Review (John Players Special) will follow in approximately two weeks' time.

Would you kindly acknowledge receipt of these documents.

With kind regards,

Yours sincerely,
