Note to Dick Brentnall

Dear Dick,

Ref: Canada Duty Free
- Launch Of SEFK

I have produced a provisional launch plan for the introduction of SEFK into Canadian Duty Free which was based on my meeting with Richard Ward on Tuesday 23rd June.

This plan has been produced in order that we can obtain SET approval to this launch and I would be very grateful if you can make any necessary amendments, especially in relation to volumes, so we can progress this activity as quickly as possible.

I hope this is OK with you.

Many thanks

buzone
