I attach a draft of a note I would wish to send out on Monday 29th November, the week after my meeting with Shirley O'Brien. I would be grateful for any comments or amendments.

My plan is as follows:

- Inform A. Boyce - This Sunday 21st November
- Inform Shirley - Monday 22nd November
- Telephone Charly Charles - Monday 22nd Nov. as he will then be aware Eric will be based in Martinique on Tuesday 23rd informing of the situation
- Telephone Roger Albert, our distributor in Martinique, on Tuesday 23rd informing him of the situation
- Distribute letters to distributors on Monday 29th November, on my return to Miami.
