Dear Pat,

Thanks very much for your letter of 4 December with details of the work of Heberto Ghezso. Currently I am absolutely awash in analyses carried out by Peter Lee and as soon as I have collected my thoughts and some discussions have been held I will contact you again, but I appreciate the limitations you mentioned in our telephone conversation.

As you will have seen from recent correspondence I am hoping to visit Jim Hogg late April-early May 1985. Thank you for your help and again I will keep in contact.

May I return your wishes for the Christmas season.

With kind regards.

Yours sincerely,

R. E. THORNTON
