Dear Bob,

Thank you very much for your two recent letters; the CTMC grant applications which arrived this morning just before Pat, and the letter on SILR which overtook the former in the post!

With regard to the CTMC proposals, I have, as you know, already discussed these briefly with Pat because of the imminence of the meeting to discuss them. If I have any further thoughts I will write to you directly.

I appreciate your kind comments on SILR and I know it will give the reviewers every encouragement in their difficult task. As you say the main problem is trying to keep up with all the papers!

With kind regards.

Yours sincerely,

R. E. THORNTON
