Dear

13th March, 1981

I enclose copies of the reports by Dr. R.R. Baker and Dr. C.C. Greig relating to their visit to the U.S.A. and Canada for the period 19th - 31st October, 1980.

They were able to visit a number of institutions, in addition to the Tobacco Chemists' Research Conference in Richmond, Virginia.

I apologise for the delay in distributing these notes, and trust that you will find them of interest.

With kind regards,

Yours sincerely,

A.L. Heard
