Dear Bob

Further to your letter of 9 December 1980, we have discussed the matter and believe that the Leaf Steering Committee will not in fact be directly interested in the proposed support work. We feel, however, that we could and should undertake work at Southampton, as it could well be of future interest to the Group.

Cora Ayers estimates an effort of some 16 Assistant-weeks and 2 Graduate-weeks at a cost somewhere in the region of £10,000. We can work this into the Programme and Budget for 1981. I suggest you discuss this when you visit us shortly.

With kind regards

Yours sincerely
