Montreal

3rd December 1980

Dear Bob,

Desmond Hughes, our Librarian, has once again achieved the seemingly impossible, in locating the Imperial Bristol report you requested, and I have pleasure in sending it to you herewith.

I enjoyed meeting Pat Dunn and colleagues at the Tobacco Chemists Research Conference. We are looking forward to the report which he is writing on your coal retention work.

Best wishes for Christmas,

Yours sincerely,

A.L. Heard
