

TOPIC "A" S&H

RVD

Agenda
Item

Item 11

GRDC Southampton produces basic scientific information, issued as formal reports, that serves as otherwise unobtainable knowledge, applicable to product, process, raw material selection, S&H matters, engineering and many others.

Coordination of group R&D

Training of personnel

Consultants on specific projects

Screening of additives, pesticides

Surveillance of scientific research related to S&H

~~(See also (X1) Agenda item 6)~~

→ our 2nd. people can go to GRDC
to learn, as required.

give to our Darwinian for a CDC conf. 1976
some years ago.
