Dear Alan,

Re: Visit of Dr. M.H. Bilimoria

During a recent telephone conversation with Dr. Blackman, Mr. Gibb was informed that our requests for Minoos Bilimoria to visit GR & DC and Hamburg have been agreed to and that I should now contact each laboratory regarding the detailed arrangements.

Enclosed is a copy of my letter to Dr. Blackman which gives Minoos' travel plans. We would be grateful if you could arrange hotel reservations for him in Southampton for the nights of July 15 (late arrival), 16 and 17 and advise us accordingly. Minoos will be leaving Montreal June 23 so we would appreciate a reply before then. Incidentally, the threat of a mail strike has passed.

It is possible you may already have these arrangements in hand as a result of a request directly from Dr. Blackman. If so, please forgive the duplication.

We do appreciate the opportunity for Minoos to visit your laboratory as he has always found such exchanges valuable.

With best regards.

Yours sincerely,

*Bob*
