"De Souza and Rice" Patent - Brazil

I refer to my letter of 4th March to Cia. de Cigarros Souza Cruz, which was copied to you, and write to inform you that our friends in Brazil have replied to the effect that they would be prepared to pay the costs of maintaining Brazilian Patent No. 84.885 but in addition they have enquired if we would be prepared to assign this patent to them. Your instructions would be appreciated in due course.
