P.J. Rombaut,
M.A. Weinberg,
E.J. Worlidge,

Air Canada Smoking Ban

I enclose an extract from the Financial Times regarding Imasco's response to the Air Canada smoking ban. The CPC supports the position being taken by Imasco. GHQ employees will therefore avoid travelling Air Canada, using it as a carrier of last resort only, as long as the ban persists. The CPC commends Operating Groups likewise to support the Imasco position.

I
I.M. MacInnes
1st May, 1986
