Mr. D.L. Slobow,
B.A.T Industries plc,
Windsor House.

Dear

David,

CAC X

You will know that every two years or so we hold a Chairman's Advisory Conference, when the Board of B.A.T Industries together with the Chief Executives of Amatil, BATIG, BATUS, Inasco and Souza Cruz meet together for a week to discuss issues of common concern, especially regarding the future development of the Group. ...

The next conference will be held in London from the evening of Sunday, 10th May to the morning of Friday, 15th May and Eagle Star have invited us to use William Kent House as the venue for the conference.

As in previous years, the wives of delegates are also invited to the conference and I hope that you and Janet will be able to join us for the week.

Ian MacInnes will be responsible for co-ordinating the administrative arrangements at this end and he will be writing to you in the near future regarding hotel accommodation, etc.

I will be developing the work programme myself and I will be discussing this with delegates over the next few weeks.

Yours sincerely,

P. Sheehy
