Dear Mr. Pare,

CAC VIII

I enclose summaries of the issues which Messrs. Bruell, Dennis, Carraway, Bicketts and Worledge will be raising for discussion at CAC VIII. Mr. Shachy's main objective is to hear your views and those of the other Chief Executive Officers of the CAC companies on these issues and it is, therefore, intended that following an introduction by the presenter in each case, the Chief Executive Officers of the CAC companies should then put their companies' views (and be ready to answer any questions that may arise) on the issues under discussion. I hope these summaries give a sufficient indication of the issues to be highlighted to enable you to prepare your company's views.

Yours sincerely,
