Dear Paul,

CAC VIII

I am writing to confirm that Interserva have kindly agreed to host CAC VIII at the Wald-und-Schlosshotel, Friedrichsruhe in Germany. The conference will start with a cocktail party in the evening of Sunday 25th September and end at lunch time on Friday, 30th September. The full B.A.T Industries Board as well as yourself and the Chief Executives of Amatil, BATUS, Souza Cruz and Interserva together with wives are invited.

I am working on the programme for the conference which I will forward to you in due course.

For your interest I enclose a map indicating where the conference will be held. Mr. MacInnes will be responsible for co-ordinating the conference and travel arrangements and if you would like to see any of the Group's operations in Europe either before or after attending the conference, please let him know by mid-April. He will send you a list of our major European operations.

Yours sincerely,
