Guidelines 1989

Attached for comment are drafts of the Guidelines for BATUS, BATIG, Wiggins Teape, B.A.T Stores and Eagle Star.

Still to come are Allied Dunbar and Imasco which I hope to let you have on Tuesday.

Since we need to have all the Guidelines available for circulation to the Board by the end of the week, I would be grateful if we can have any comments by Wednesday night (either to Graham Burgess or myself).
