

To: Mr. B.D. Bramley  
c.c. Mr. M. Norworthy

Guidelines 1989

Attached are drafts of the Guidelines for BATCo. and BATIG which are due to be presented to the B.A.T Industries Board on 25th July.

I have also passed copies to Michael Norworthy and David Allvey, who is checking on the Financial Guidelines.

I would be grateful for any comments you may have before the final drafts are passed to the Chairman on Thursday for his approval prior to circulation to the Board.
