Guidelines 1989

I am continuing to progress the preparation of Guidelines on the assumption that these should be available for presentation to the Board on 25th July in accordance with the original programme.

As each draft is completed this is being checked with the responsible liaison director and also with David Allvey, to ensure that the Financial Guidelines are correct.

Attached for your approval/amendment are draft Guidelines for BATUS and Souza Cruz.

I will let you have a draft of the Guidelines for Imasco on Tuesday and will let you have the others as soon as I have them back from the respective liaison directors.
