Dear Mr Guyatt,

In late June I sent some draft plan guidelines for Imasco (copy attached) to Mr Crawford for his comments, and he said he would respond some time during the summer.

I am now writing to you to confirm the arrangements for the Plan preview and review.

The Plan preview for Imasco is scheduled for 10.00am on Wednesday 20th October in Montreal. I would be grateful if I could receive your preview document by 8th October.

The Plan review is scheduled for 2.30pm on Friday 7th January in Windsor House, and I would be grateful if I could receive your Plan by 29th December.

I attach a note on the key points which the Chief Executive's Committee will be looking for in the previews and Plans, and I would be pleased to provide any help I can with points arising from this or the guidelines.

Yours sincerely,

Hilary Barton.
