Dear Graham,

I enclose the latest research progress report by Prof. Jurna for your information. You will probably have it translated by BATUKE resources and I would appreciate very much, if you could let Dr. Wilma Templeton send one copy of the translated version. (Of course Ray Thornton as well, if interested in that detail.)

I hope the Japan trip was useful and enjoyable to you and of much benefit for you and the SRG.

With kind regards,
Yours sincerely,

Dr. Foelke Knabjohann
