Dear Bob,

I have just received your Telex advising that the E.P.A. have given conditional approval to the use of Ridomil. Two points occur to me which you may be able to clarify:

1. What exactly is meant by "conditional"?
2. Will there be any form of rationing scheme, as in Canada, to ensure that farmers do not apply more than 1 lb. per acre?

With kind regards,

Yours sincerely,

D.J. WOOD
