Dear Bob,

Visit of Dr. P.C. Bevan

I have now had confirmation from Jim Drummond that he will be liaising with Peter Gage to arrange a detailed itinerary for Peter Bevan's visit to Ontario for the two weeks commencing the 3rd December, 1979. May we now confirm that on the 17th December he will link up with Graeme Boswall for a one-day visit to Delhi Research Station, following which he will spend two days with you in Montreal, departing for the U.K. on the evening of Wednesday the 19th December?

With kind regards,

Yours sincerely,

D.J. WOOD
