Dear Pat

I should like to thank you for helping to bring about what I regard as a very successful Research Conference.

For the first time ever we spent considerable time discussing subjects of Group-wide importance rather than concentrating on the funding of, and the Programme at, GR&DC.

I am sure the Conference will help you in your new assignment, and I wish you every possible success and look forward to working with you in the years to come.

With kind regards

Yours sincerely
