Dear Sharon,

Thank you for your letter of 17th February concerning the SRG newsletter/information bulletin. As far as I am concerned, the summary notes that you have provided under each of the eight different headings give me a sufficiently clear picture of what is going on. I confirm that I do not need to receive copies of the original references provided these are cited in your summary. However, I would like to receive copies of any visit reports or unpublished papers that you make reference to.

With best regards,  
Yours sincerely,

S.R. Massey
