Dear Paul,

I see from your letter to your employees that it is now common knowledge that Leo Laporte has "withdrawn" from your Board. Can I take it that his job with the Ad Hoc Committee is whole time and that he no longer is involved in the research programme of your company? Is it appropriate for him to attend the next Group Research Conference in November at the Viking Inn and, if so, in what capacity? We would certainly like him to be there if it is at all possible as his contribution to the Smoking & Health discussions would be of value.

Yours sincerely,

A. D. McCormick.
