

BRITISH-AMERICAN TOBACCO COMPANY LIMITED

11th
Jim

Millbank

TO DR. S.J. GREEN,
SOUTHAMPTON.

FROM R.A. BOOTHROYD.

REF RAB/FA

DATE 11th August, 1964.

Dear Jim,

Just before I left Canada, Bob Wade gave me a copy of their "Chemical Methods Index", i.e. standard methods for determining moisture, ash, calcium, nicotine, etc. and I enclose a photo-copy for your files, and possible interest of Cora Ayers, etc.

With kind regards,

Yours sincerely,
