B-A.T. Co. and Associated
Companies' Manufacture of
Cigars

I set out below a statement showing the territories in which our associates manufacture cigars. In only one case - Australia - have we any indication of the size:

<u>Territory</u>	<u>Current Average Monthly Sales Mille</u>
Canada	4,800
Australia - Large	277
- Small	2,000
Chile	70
Switzerland(Vautier)	644

In Jamaica, Temple Hall makes cigars for our associates Machado. Current average monthly sales are 170 mille. In Holland, Velasques have sold export rights of their cigars in certain territories to Ardath (Holland). Velasques continue to make the cigars and Ardath (Holland) are building up an export business. The current level of sales is about 100 mille per month.
