Dear Dr. Felton,

Secretary's Letter - T.S.C. 72

Annual Report

I have pleasure in enclosing a draft copy of the Committee's Annual Report for the year ended 31st May, 1959, for your consideration. It would be of considerable assistance to the full Committee if copies of the draft Annual Report incorporating the comments of members of the Technical Sub-Committee could be circulated as soon as possible in view of the fact that a meeting is due to be held on 14th July. We realise that this will leave you very little time to consider the present draft but we should very much appreciate your comments by Monday, 6th July, 1959, in order that a final draft may be prepared.

Yours sincerely,

C. H. James.
Secretary.
