A. H. Faul, Esq.,
G.P.O. Box No.145,
SYDNEY, N.S.W.,
Australia.

Dear Mr. Faul,

I am sending you a copy of our report covering the work of the Establishment for January, February and March 1961.

I realise that you have not received a copy of our current programme, which is really necessary to understand the report completely, and I will make arrangements that in future when the programme is revised a copy will be sent to you.

With kind regards,

Yours sincerely,
