FROM
E.C.L. CORDY
Marketing Co-ordination Dept.

REF ECLC/PAG

DATE 23rd April, 1968

Thank you for letting me see Copy No.4 of R. & D.E. Quarterly Report, January/March, 1968.

While the majority of references are to laboratory work and other highly technical experiments, there are items of interest to Marketing, e.g. "Packaging Studies and Product Developments".

I should be grateful if you would let us see copies of future Quarterly Reports.
