QUARTERLY REPORTS

1. I think you should leave the list of visitors and the staff section out of Quarterly Reports. A single copy of this information for Mr. Hobson and me is all that is required.
2. Synthetic Smoking Material should be reported on a detachable page and should go only to Canada, U.S.A., Australia and Germany.
3. Please add Mr. Brock, Leaf Department to the circulation.
4. Please let me know if there is any information in "Patents" not covered in the Folio.
