22nd November, 1966

Dr. R. Friedrich,
Battelle Institut e.V.,
Frankfurt Am Main 13,
Wiesbadenerstrasse,
W. Germany.

Dear Dr. Friedrich,

Arrangements have been made for the shipment of 160,000 cigarettes,
Code B), by air freight as requested by telephone.

Unfortunately it is not possible, at this stage, to mark all the
white boxes with the code number.

All the cases of 20 cigarettes have already been sealed by the
customs authorities and remain under their supervision.

Yours sincerely,

S. R. Evelyn
