Dear Bob,

AF sample for JANUS

I have received a copy of Dr. Green's letter to you, dated 21st October, agreeing with your suggestion that the AF sample should be made and packed at R.& D.E. In accordance with this decision, I am writing to you to give details of the shipping requirements in order that we may import the materials duty free.

The consignment should be addressed to:

British-American Tobacco Co.Ltd.,
Regent's Park Road,
Southampton, England.

For the attention of: The Officer in Charge

(Imported Duty Free under B.O. 8079/66)

Each package should bear the shipping mark:

and should bear the gross and net weights and dimensions.

Could you please send to Traffic Department,
Millbank:-

2 Bills of Lading - Negotiable

4 Copies of Invoices giving the description
of the material as:

Manufactured Tobacco
Nett Weight
Gross Weight
Dimensions

and quoting "Imported duty free under
Board Order No.8079/66"

In addition, could you please send to me at
R.& D.F., one copy of the Bills of Lading and of the
Invoice.

I apologise in advance for the red tape, but
bitter experience has taught us this is the easiest
procedure to follow.

Finally, we would greatly appreciate as much
prior notice of intended shipment as you can manage.
I realise that this may not be easy as you will have
barely received the tobacco at this time.

With kindest regards,

Yours sincerely,

C.c. Dr.S.J.Green
